Introducing the Synapse Cortex Education Program

Welcome to the Synapse Cortex Education Program — a unique opportunity to gain valuable knowledge and hands-on experience in the dynamic world of insurance, including wholesale insurance brokerage. This program seamlessly blends online classroom education with practical, real-world application, guided by our leading insurance professionals.

What We Offer

- **Comprehensive Learning Experience:** Participate in engaging online educational sessions that cover essential aspects of wholesale insurance, from foundational industry knowledge to advanced market strategies.

- **Hands-on Application:** Benefit from internal knowledge-sharing sessions led by our seasoned professionals, gaining insights that go beyond textbooks and theory.
- **Mentorship and Networking:** Each Cortex Intern is paired with a dedicated Mentor and a group of Synapse Team Members who provide guidance, support, and share invaluable industry insights throughout the program.
- **Interactive Group Project:** Collaborate on a dynamic group project, working closely with peers to develop a presentation that will be showcased to our Marketers at the conclusion of the program.
- **Paid Experiential Learning:** This part-time, paid, six-week opportunity allows participants to earn while they learn, building connections that can last a lifetime.

Our Vision for You

- **Practical Knowledge:** Gain insights into the wholesale insurance market, the history of the insurance industry, and the skills necessary to thrive in a fast-paced environment.
- **Professional Growth:** Develop confidence and expertise in key areas such as risk assessment, client interaction, and strategic decision-making.
- **Valuable Connections:** Forge lifelong relationships with industry professionals, creating a strong foundation for your career.

We believe the Synapse Cortex Education Program is more than just an internship—it's your gateway to a successful future in the insurance industry. Join us and take the first step towards becoming a skilled, knowledgeable, and connected insurance professional.
